

PICKLEBALL PROGRAM GUIDELINES

Pickleball is a new and exciting business for us, please be patient as we are evolving daily!

Pricing and hours are subject to change without notice. We are a very busy Tennis Center, and occasionally, tournaments and events will conflict with posted times. Please follow us on Facebook or call to confirm play before coming.

Paddles are available for purchase at our Pro Shop located in Tennis Center #1. Demos are available. First time is FREE. Each use after is \$3. Rental fee up to \$15 is applied to paddle purchase at our Pro Shop.

We do not provide balls for open play. We will have balls to purchase.

Walk In = Open Play. There may be times when you sit out and wait for a court. Please be patient and follow the rules for rotating in.

During Walk In, players MUST rotate with all others.

Reserved courts end when the bell rings! If you wish to stay longer please come out to the desk to purchase additional time if a court is available.
